

Pintucking machine with 1/8" gauge

FX4423PTV/FL/DM

10 needle, cylinder bed, double chain stitch machine for pintucking operation. Perfect for the guayabera (Cuban shirt).

Features

Pintuck folder

Thanks to the new design of this pintuck folder, it is easy to attach and detach the pintuck folder for troubleshooting.

The operator can remove them with out tools. Readjustment is a lot easier than conventional pintuck folders, since the brackets have grooves to fit the folders in the correct position.

FL, DM

This machine is equipped with the pneumatic presser foot lifter and the direct drive servo motor
